Construct. Ally. Scythe. Forsaken. Wither. Warpath. Heroic. All of these names are said at your throat, leading to an unforgettable experience for anyone who follows them. Whichever path you wish to take, the power of your heart and the might of your sword will guide you toward victory. Take with you the might of the Imperial Court, represented by the Imperial Boson, a servant who has lost her memory and battles for power within the Imperial Court. Her companions are Edge of Oblivion and Callief. Just as the wolf is stronger than the sheep, the great hero is stronger than a hero. Protect the weak, and fight for the greater good. Protect the weak, and fight for the greater good. Legend says that when The Boson's followers fight together, they create "blue fire." For when the great hero is lead by the will of the people, they are guided by the light of justice. The Boson is the guardian of scythes. She has one purpose: to destroy all beings that oppose the Imperial Court. She has one purpose: to destroy all beings that oppose the Imperial Court. In this

world, all things are subjected to absolute dominion. Garish cobalt, the color of the great hero's companions

Here Is No Turning Back is a Fantasy Action RPG with Story

Android Data Party TALES THAT FUELED THE HISTORY OF OUR WORLD From the dawn of time; from the beginning, there was sorcery. To confront them, knights were created, wielding weapons taken from the gods themselves. There was no turning back from this. If glory and power were our only goals, there would be a meeting between the gods and humankind. But there is more than this. There are other tales, apart from those of kings and conquests. Tales that tell of the hardships of mortals who have made the journey beyond our borders; not myths invented by bards but legends that happened in our world. A clash of gods A clash of elements ... A clash of worlds in the Lands Between. How should we respond to a war? What is our responsibility to the realms of fantasy? >Dialogue is placed in >Multimedia section as >Video(EPG: V) >Audio (EPG: T) FEATURES: &largeHeats;∷
