Download HD 1.1. Wednesday, January 15, 2006 Wednesday Word Do not talk too much...Silence is golden. The horse you are riding on is a water buffalo. Every time I see a horse on ice, I am relieved that I don't have to try to ride it. When you are sick, recover the feeling with a good book. If you don't use something, you lose it. When you forget what you are going to say, make up your mind when you are three feet from the microphone. In a bar, the bartender is the man you drink for. Never, never, never argue with an idiot. They drag you down to their level and beat you with experience. Never underestimate the power of stupid people in large groups. Minds open only in song and dance. You can never be too rich or too thin. The easiest way to avoid a crisis is to be prepared for it. Golf is a good way to spend time in silence and build lifelong friendships. The first step towards chaos is for the media to refuse to print anything negative about government. Never be afraid of silence, except when you are trying to overcome it. What you are trying to do will always work. How you feel about it, not so much. Don't worry, they have all been there before you. Beware of little dogs, especially ones that bite. If you think you can, you can. If you think you can't, you're right. Never cross a river twice. Dreams begin to blossom in the mind before they show up as reality. Love is the only thing that is bigger than life. After all is said and done, a grandmother's love is unconditional. Sometimes the only way you can find out who you are is to get lost. Never tell your enemies, "I'm sorry. You just don't know what you are talking about." I'm on a mission to empower little people to be little people. I had a
